

Annexure-1

General Terms and Conditions

1. This indent is for **domestic two part public tender**. Hence, only Indian Industries shall quote.
2. This tender is for development & supply of 2 types of investment castings. Vendor can quote for either one or both types of castings.
3. This tender is for development of alternate vendors. Existing qualified vendors will not be considered for this tender.
4. Vendors having existing PO for any of the 2 types of castings whose supply is not completed within delivery schedule as per old PO, will not be considered in this tender.
5. Tender may be splitted between L1 vendors based on quotes for 2 types of castings. Quantity for each type however will not be splitted.

6. **OFFER FROM PARTY**

- a. The offer has to be in TWO PARTS.

PART I Technical Bid:

- i) The technical bid should contain the compliance of technical requirements.
(List of facilities and tools available or outsourced shall be specified)
- ii) Commercial bid without any price details.

iii) Offer by a party will not be considered valid if PRICE details are revealed in technical bid by the party.

PART II Commercial Bid:

- i) Commercial bid with Price details.
- ii) It include cost of all the operations envisage above like radiography, Heat Treatment, pressure test, etc.
- iii) Die/Tooling & Development cost shall be mentioned separately in the offer.
- iv) If party is not using VSSC HIP facility, cost with HIP or without HIP shall be mentioned separately.

6. In technical bid, vendor should confirm the following and provide details of their facilities and relevant technical input:

- I. Vendor should agree to supply the items meeting all the specifications as per attached Annexures and other clauses of terms and conditions within the scheduled delivery period.
- II. Vendor should mention clearly the source of raw material. If it is being outsourced then source of the raw material and processing methodology should be mentioned in the technical bid.

III. Vendor should confirm the availability of all the facilities and capabilities as per the attached compliance matrix. Also vendor should confirm the capability with technical details or documentary proof, wherever applicable.

IV. Certain Facilities can be outsourced. In such case, approval of such outsourced vendors shall be taken from VSSC in advance.

V. Vendor should confirm their compliance in compliance matrix.

7. Non-Disclosure Agreement:

- The information related to this work will be treated as “Secret” and the contents of the drawings, process sheets or any other information obtained from VSSC or generated during development of these 2 castings shall not be disclosed with any other individual or firm without the written authorization by VSSC.
- Any disclosure to any person shall be made in confidence and shall extend only as far as may be necessary for the purpose of realization of these castings.
