

Terms and Conditions:

1. Quotations are requested as per the attached technical specifications “*Annexure III- TECHNICAL SPECIFICATIONS FOR X-RAY DIFFRACTOMETER (XRD) MACHINE* ” and this Indent Annexure A
2. Manufacturer/ Supplier submitting quotation for XRD machine should have at least 10 years of experience in INDIA for supply, installation, commissioning and service & maintenance of XRD equipment as on date of submission of quotation. Party should also have executed at least 3 Nos. of orders in INDIA in the last 10 years. Parties not meeting this criterion may be summarily rejected. User names and references along with model number and year of supply should be provided along with the bid.
3. Parties should submit their offers in two parts: Part I for Technical bid and Part II for Price bid. All the items quoted in technical bid must be quoted in price bid also. No part quotation is permitted and any item missing in price bid (intentional or unintentional) will disqualify the bidder and no further correspondence will be made with the party.
4. Price breakup shall be indicated wherever possible.
5. Any item/ spares not explicitly mentioned in the specification but which may be required for demonstration of specification and smooth functioning of the equipment (for minimum 3 years) shall be within the scope of supply and shall be quoted separately.
6. Party should not quote an obsolete model. An undertaking should be provided by the party that the quoted model is the latest in technology.
7. Party should have a strong service back-up in India with technically competent service engineers trained and certified by the factory. Proof of evidence has to be provided in the quotation
8. Equipment shall to be supplied and installed within 8 months from date of placement of order/order acknowledgement. Time required for installation after receipt at LPSC shall be mentioned clearly. Party shall clearly mention towards requirement of export licence, if any.
9. Packing of equipments, sub-assemblies, components/spares shall be done as per state of art material so as to withstand tropical climate and safe transportation up to our destination.
10. The equipments shall be dispatched only after the written clearance from LPSC after Pre-delivery Inspection at manufactures site.
