Instructions To Vendors

5. Conditions for BIDDER FROM A COUNTRY WHICH SHARES LAND BORDER WITH INDIA

1. Any false declaration and non-compliance of the above would be a ground for immediate rejection of offer or termination of the contract and further legal action in accordance with the laws.

2. As per the Rule 144(xi) of General Financial Rule, 2017, any bidder from a country which shares a land border with India will be eligible to bid in any procurement whether of goods, services (including consultancy services and non-consultancy services) or works (including turnkey projects) only if the bidder is registered with the competent authority ie., Department for Promotion of Industry and Internal Trade (DPIIT).

3. Hence, Vendors or Agents of a Vendor (Indian or others) from a country sharing border with India shall submit copy of valid registration made with Department for Promotion of Industry and Internal Trade (DPIIT), Government of India along with the tender mandatorily, without which the offer will be treated as invalid.

4. Model Certificate for Tenders

I have read the clause regarding restrictions on procurement from a bidder of a country which shares a land border with India; I certify that this bidder is not from such a country or, if from such a country, has been registered with the Competent Authority. I hereby certify that this bidder fulfils all requirements in this regard and is eligible to be considered

5. Validity of Registration: Registration should be valid at the time of submission of bids and should be valid at the time of placement of order.

C. Bid Templates

C.1 Technical Bid - Outsourcing work contract for instrumentation QA/QC activities

1. Work Contract Test facility pressure channel evaluation

Document : [Work details](#)

2. Work Contract Test facility temperature channel evaluation

3. Work Contract Test article pressure channel evaluation

4. Work Contract Test article temperature channel evaluation

5. Work Contract Flow/speed channel evaluation

6. Work Contract E/P valve command chain evaluation

7. Work Contract Engine and pyro command chain evaluation

8. Work Contract Control valve command chain evaluation

9. Work Contract Health check of pressure transducers

10. Work Contract Health check of temperature transducers

11. Work Contract Health check of speed sensors

12. Work Contract Health check of flow sensors

13. Work Contract Health check of vibration sensors

14. Work Contract Health check of level and depletion sensors

15. Work Contract Health check of strain sensors

16. Work Contract Log book preparation for pressure transducers

17. Work Contract Log book preparation for temperature transducers

18. Work Contract Log book preparation for speed sensors

19. Work Contract Log book preparation for flow sensors

20. Work Contract Log book preparation for vibration sensors

21. Work Contract Log book preparation for level and depletion sensors

22. Work Contract Database management of test article sensors

23. Work Contract Database management of test facility measurement channels

24. Work Contract Database management of test facility command channels

25. Work Contract Database management of calibration validity of sensors / transmitters

Common Specifications (Applicable for all items)

SI No	Specification	Value	Compliance	Offered Specification	Remark
1	1. Name of the Bidder		-		
2	2. Full address		-		
3	3.Landline telephone number		-
